Work Experience:

Juni Learning - *San Francisco, CA (Remote)*   *2019 - 2021*

- **Instructor Operations Training Lead** (*Aug 2020 - Jun 2021*)
  - Managed and supervised all 1,000+ part and full-time instructors across all subjects, and all Senior Instructors. Responsible for all training processes within the company's operations
  - Oversaw and audited the 10-25 trainings and 5-15 first classes, all of various types, happening per day
  - Increased occurrences of positive first class performance by 8%
  - Actively updated or added training/growth resources for instructors based on feedback, and raised instructor confidence in first classes from 80% to 90%.

- **Instructor Operations Success Specialist** (*Jan 2020 - Aug 2020*)
  - Spearheaded project to restructure all training processes, decreasing training cost per instructor by 41%
  - Trained 8-12 instructors and shadowed 4-6 first classes per week, provided mentorship and support
  - Authorized final decisions in all rounds of interviews, and interviewed 10-15 candidates per week

- **Computer Science Instructor** (*Nov 2019 - Jan 2020*)
  - Taught varying levels of Scratch, Python, Java, and Web Development to over 30 students per week, aged 7 to 19, in a 1:1 environment. Continued to teach throughout my time at the company

Personal Programming Projects:

Full-Stack Plant Care Web Application ⎘

- Implemented using React.js, Express, MongoDB/Mongoose, Node.js, HTML/CSS/JS
- Features authentication, password encryption, and CRUD/RESTful API

4-in-1 Video Game iOS/Android App ⎘

- Developed in React Native, features customizable gameplay, strategic AI, and original artwork
- Contains Tic-Tac-Toe, Mastermind, Video Poker, and a turn-based Battle Simulator game

Video Game Information Hub Web Application ⎘

- Programmed using EJS, Express, Node.js, HTML/CSS/JS
- Features applications pulling from official video game APIs or databases made by me

Extracurriculars and Volunteer Work:

Circle K International - *San Diego, CA*   *2017 - 2018*

- **Front-End Developer** (*Jun 2017 - Jun 2018*)
